WELCOME TO THE KU COMMUNITY!

Your Jayhawk journey begins with New Student Orientation. Our programs are designed to assist you with your transition to KU. You will learn about student services and opportunities available to help you make the most of your university years.

During orientation, you'll also plan your fall semester schedule with an academic adviser; enroll in your courses; and meet KU faculty, staff members, and other KU students. Special programs for parents and guests run concurrently with the student programs. Visit our Web site at www.orientation.ku.edu to learn more.

Note: Orientation is your first opportunity to enroll in fall 2009 courses. For students who choose to attend orientation, advising and enrollment is contingent upon attendance at all interest sessions during the program. If you do not attend orientation, the next opportunity to enroll is Aug. 19. Freshman students must pay the \$200 enrollment deposit before registering for an orientation program. Transfer students may attend Transfer Orientation and Enrollment on April 9.

New Student Orientation will accept registrations beginning March 16. Register online at www.orientation.ku.edu.

KU IS A GREAT PLACE TO BE.
